

## REAL LIFE Jr. DAY CAMP

Our Junior Day Camp program operates out of the Real Life Nursery School. Camp runs Monday through Friday from 6:30 a.m. – 6:00 p.m.

Morning and afternoon activities include songs, group games, arts and crafts, swimming, sand box play, bike riding, dramatic play, animal care, horseback rides, hayrides and picnics! Junior camp is for children 2 ½ -6 years of age. Our youngest campers...2 ½ -3 years travel to the farm every other day. Days that they don't visit the farm they have water play on their playgrounds. Individual class schedules are posted to let you know which days your child's class will travel back to the farm. Campers ages 3-6 travel back to the farm every day for animal care and horseback rides. All children enjoy morning and afternoon playground play each day!
